

FAKULTÄT FÜR HUMANWISSENSCHAFTEN

KARLSTAD UNIVERSITY

Karlstad University (Sweden)

The Karlstad University became a university in 1999 and has gained a reputation for offering research and education programs of high academic standard which enable the students to develop knowledge and skills for individual enrichment and to contribute to a sustainable society. Due to its great variety of courses and programs, which are taught in Swedish as well as in English, the OVGU cooperates primarily with its Faculty of Humanities, especially in the field of Social and Political Sciences.
